

Product Characteristics

Resposable Instruments for Endoscopy (handle and shaft reusable – tips disposable)

4-part system consisting of a **reusable** handle and **reusable** shaft insulated (Ref.-No. MR5500-0050) and a connection rod with easy snap lock (Ref.-No. MR5500-0010) and a **single use tip** (see Ref.-Nos. below)

Ref-No.	Ø 5 mm, 33 cm
MR5520-1100	Metzenbaum Scissors, curved, micro
MR5520-1200	Metzenbaum Scissors, curved, medium
MR5520-1300	Metzenbaum Scissors, curved, large
MR5520-0600	Metzenbaum Scissors, straight, medium
MR5520-0700	Metzenbaum Scissors, straight, large

Product Characteristics

Responsible Instruments for Endoscopy (handle and shaft reusable – tip disposable)

4-part system consisting of a **reusable** handle and **reusable** shaft insulated (Ref.-No. **MR5500-0050**) and a connection rod with easy snap lock (Ref.-No. **MR5500-0010**) and a **single use tip** (see Ref.-Nos. below)

Ref-No.	Ø 5 mm, 33 cm
	Handle without ratchet
MR5316-6100	Maryland Grasping and Dissecting Forceps
MR5512-1700	Endoclinch Grasping Forceps
	Handle with ratchet
MR5316-6100	Maryland Grasping and Dissecting Forceps
MR5512-1700	Endoclinch Grasping Forceps

Product Characteristics

2-part system consisting of a **reusable** handle and a **single use** shaft complete

Ref-No.	Ø 5 mm, 33 cm
MS5520-1100	Metzenbaum Scissors, curved, micro
MS5520-1200	Metzenbaum Scissors, curved, medium
MS5520-1300	Metzenbaum Scissors, curved, large
MS5520-0600	Metzenbaum Scissors, straight, medium
MS5520-0700	Metzenbaum Scissors, straight, large

Product Characteristics
